Pick Up and Off Site Catering

Catering orders will be accepted up to forty-eight (48) hours prior to your event and require a signed contractual agreement. Both pick up and off site catering delivery is available. Please note we do not provide full service off side catering service, but you can pick up - or we can deliver - platters and delicious meals of all sorts and sizes. Our catering menu is available in the Café and Catering section.

Plates, cups, plastic flatware, napkins and serving utensils are included, as appropriate. Most products will be given to you in disposable containers which do not need to be returned to us, unless specified otherwise. We can supply more formal serving dishes and platters upon request, for which there may be a deposit or additional fee. If you have any special needs please let us know and we will do our best to accommodate you.

Catering orders require a 25% deposit at the time of booking with a valid credit card to secure the event. The remainder is due and payable seven (7) days prior to the event. Incremental charges, if any, will be computed upon completion of the order. Proposals are based on the guaranteed guest count. Should the guest count decrease, the per person price may need to be re-evaluated.
